Thanks to the continued support of our clients and the hard work of our committed staff, BASE had another busy year despite the continued difficulties in our economy. Below are just some of the highlights from a productive 2010.

- President Steven Baldrige was honored by the U.S. Small Business Administration as its 2010 Small Business Person of the Year for the State of Hawaii. The award recognizes leaders in small businesses that have grown financially and in the number of employees, as well as innovativeness of services or products and contributions to the community.
- In January 2010, Steve was dispatched to Haiti to join a reconnaissance team to assist in the aftermath of the devastating 7.0 magnitude earthquake. Since then, BASE has worked with a dck worldwide in their efforts to assist the Haitian government in the repercussions of the catastrophic disaster.
- BASE Honolulu and Chicago have been busy in the 4<sup>th</sup> quarter with international work. We are excited to work with Leighton International, one of the leading contractors in Asia and the Middle East, on the following new projects in India:
  - ▷ The Wave, Noida: A 40-story mixed use development.
  - ▷ M3M Golf Estate: Luxury apartments surrounding a 9-hole golf course
- December 7, 2010 marked the 69<sup>th</sup> anniversary of Pearl Harbor Commemoration Day and also celebrated the dedication of the new Pearl Harbor Visitor Center. BASE was the Structural Engineer of Record and Antiterrorism Force Protection consultant on the project.
- 2010 saw the beginning of several significant projects, including the following which were awarded to BASE this year:
  - ▷ Fort Shafter Command and Control Facility
  - ▷ FY08 MCA PN Barracks Ph 6B, Wheeler Army Airfield
  - ▷ Joint Traffic Management Center
  - ▷ HNL Airport Hangar & Maintenance Facility
  - ▷ Government of Japan IDIQ, Guam
- 2010 also saw an increase in our Testing & Inspection division thanks to new projects including:
  - ▷ FY09 MCA PN68823 UEPH, Schofield Barracks
  - ▷ Combined Arms Collective Training Facility
  - ▷ Pearl Harbor Child Development Center
  - ▷ Airgas Kapolei

*We thank you for your continued support and look forward to new opportunities for collaboration in 2011.*

# BASE: A Look Back at 2010

Steve was awarded the U.S. Small Business Administration Small Business Person of the Year for the State of Hawaii.

Days after the catastrophic earthquake in Haiti, Steve joined a reconnaissance team to assess the damage. The team's initial goal was to survey and document the damage; however, the mission became a humanitarian effort as they were asked to assess hospitals, housing, and schools to determine if they were safe for people to re-enter and use for the relief efforts.

The \$58 million new Pearl Harbor Visitor Center was dedicated on December 7, 2010, the 69th anniversary of the attack. The project was the cover story of the December issue of Structural Engineering & Design magazine.

BASE is working with Leighton International on two residential projects in India: The Wave (left) and M3M Golf Estate (right).
